## Top 5 Reasons to Attend HYPACK 2019

### HYPACK 2019 Hydrographic Training Event

By Brittany Heins

Come and join us at the 26th annual HYPACK Training Event in Corpus Christi, Texas on January 8th-11th, 2019. The event will be hosted by the Omni Corpus Christi Hotel. Below are the 5 main reasons why it's important for you and your company to attend this training event!

#### >> REGISTER NOW!

**1. Training is essential to the fluidity of your operation!**

The most successful companies have the least amount of employee turnover. One way to reduce employee turnover is by providing employees with the necessary tools to do their jobs efficiently.

**2. It can help increase your revenue!**

Most contracts require that you have the ability to record your data, track your progress, and provide reports to the customer. Being trained on HYPACK® software can help you accomplish all of these tasks. It can help you complete jobs in a more efficient and timely manner, saving you time and money.

**3. Keeping up with the newest innovations in hydrography, dredging and unmanned mapping solutions is important!**

It is paramount to your company's success to know what is new and evolving in your market.

4. **It provides an opportunity for networking!**

The HYPACK Training Event is a unique opportunity for attendees from different businesses and countries within your industry to interact; exchanging ideas and cultivating contacts.

5. **It is inexpensive and the knowledge you gain is indispensable!**

HYPACK knows the importance of training to its customers. We purposely keep the training event costs low so all HYPACK® users can take advantage of this much-needed training.
