We are very excited to announce that HYPACK 2024 will be held on January 8th-11th, 2024 in Savannah, Georgia. The event will be in-person at the Westin Savannah Harbor Golf Resort & Spa near downtown Savannah. Our annual hydrographic and dredging Training Event will be filled with the newest features in HYPACK® 2024, as well as training for novice and experienced users.

This training is a great opportunity to meet with our team and network with 30 of the industry's leading companies and learn about their products and services! We will also be offering one-on-one sessions for attendees to meet with our HYPACK-certified trainers and network with other attendees.

Make sure to save the date and join us at the 31st annual HYPACK Training Event! Registration will open this summer.

We hope to see you there!
