Celebrating 30 years of our Annual Training Event!
Register now to join us for this beneficial HYPACK 2023 training!

Join us for our 30th annual HYPACK Training Event from January 9 - 12, 2023 in Panama City Beach, Florida! October 15, 2022 is the last day to take advantage of our special discounted price, so REGISTER TODAY! This training will offer instruction on the newest features of HYPACK® 2023 and training in HYPACK®, HYSWEEP®, and DREDGEPACK® software. By attending, you will gain exclusive access to all our live training sessions and the ability to network with other attendees and exhibitors. We are also excited to announce that attendees will be able to see HYPACK® in action from a live-streamed demo at the hotel!

ICE BREAKER / RECEPTION

Make sure to join us for our ICE BREAKER held during event check-in on January 9th from 5:00pm - 6:00pm. We will also be holding our HYPACK Reception on January 10th from 6:00pm - 7:00pm.

TRAINING SESSIONS

Training is essential in keeping up to date with the latest changes in our software and the industry. This three-day event will provide you with the tools needed to do your job efficiently. Three different rooms will run simultaneously to provide new content for novice and experienced users.

The HYPACK 2023 Schedule will be posted soon!

LIVE STREAM DEMOS

Power points are good for theory and setup, but what happens in the field? To answer that, we ran several live stream demonstrations that served as in class virtual trainings at the HYPACK 2022 conference. This allowed us to show attendees how to use HYPACK® in the wild. We are excited to announce that we will be bringing back in class virtual training demonstrations for 2023!

EXHIBIT HALL

You will be able to meet exhibitors from the industry's leading companies and learn about their products and services! Our exhibit hall will be open from 8 AM to 5 PM for attendees to talk with exhibitors before, during, and after our training sessions. Get the interaction and networking you've been looking forward to!

Interested in exhibiting at HYPACK 2023? Contact us at training@hypack.com for more information to be part of our event!

ONE-ON-ONE SESSIONS

We will also offer 30 minute one-on-one sessions for attendees to meet with our HYPACK experts. Sign up for a specific time to meet with one of our sales or technical representatives to discuss project-specific concerns or ask general questions. Keep an eye out for our email with one-on-one sign-up times!

We are confident in providing the best experience for you and your company. If you have any questions, please contact us at training@hypack.com.
